PYO (PICK YOUR OWN) tree guidelines

Open Nov 27,28,29 Dec 5,6

9 am to 4 pm

Our trees are planted at 6 ft. intervals, be like our trees, stay 6 ft. apart!

Mask are required at all times, including children over 2

All trees are \$70.00, cash or check, no credit cards, please try to have exact change or have your check filled out to Herrick Tree Farm, tips for the workers are always welcomed

We have a minimum of 6 handsaws available, they will be disinfected before and after each use. Our crew can still cut and bale your tree for you. Some oversized trees may not fit in the baler, plan accordingly.

No one will be allowed in the shed during selling season, a payment window is in the front

Rails have been set up for distancing

Children should stay with their caretakers

Sanitizer is available at the payment window and porta potty

Management has the right to close the operation for unsafe practices or from changing guidelines from the state.

Sign, sign, everywhere a sign

Blocken out the scenery, breakin my mind

Do this, don't do that, cant you read the sign ?
